Sir,

Sub: Government Silk Filature, Kollegal - Supply of Tea to Workers - Expenditure - Sanction requesting.

--

As the Government of India were in urgent need of a large quantity of best quality silk for war purposes during 1943-44 and 1944-45 the General Manager, Government Silk Filature, Kollegal employed night shift workers for re-reeling in order to improve the winding quality of the silk. This work had to be done only during night time as the reeling machinery, which was utilised for this purpose was fully occupied during the day. As the labourers were not accustomed to night work, tea had to be served them to improve the efficiency of their work. An expenditure of Rs. 41-13-6 during 1943-44 and Rs. 40-8-0 during 1944-45 was incurred in this respect. As this is a recognised item of expenditure,* I request that Government may be pleased to sanction the expenditure.
